“We are most thankful that you were with us last Saturday. Your music, as always was amazing, and perfectly suited for the moment(s). We received many comments about how good you were, and especially from Peter Papadopoulos (who gets around!) that he was extremely impressed with you guys. Many thanks! I hope we will have occasion to enjoy your music again very soon.”

-- Paraskevè Tibbs, Ph.D., Irvine, CA

“It felt so good to see and hear you last Saturday at the glendi. Your music will always be right at the top for me! Your CD “Danceology” is terrific!! The amount of music you and Danny together create is fabulous!!”

-Jonne-Marie Switzler, Manager, Playboy Jazz Festivals

“I wanted you to know how much I enjoyed your performance last night. You guys were GREAT!!! You both are extremely talented and because of your energy the audience jumped right in.”
